PREFACE.

This book is published for the requirements of the students who take up Avesta and Pahlavi as their second language in their University curriculum. The Seventh Book of the Pahlavi Dinkard has been prescribed for the B. A. and the M. A. course in the University examinations. I have published the present text from a copy of it made by Ervad Edalji Kershaspji Antia in the year 1249 A. Y., from the original MS. written by Dastur Rustamji Noshirwanji Meherji Rana.

I hope this book will meet the want of the students, as did my Pahlavi Bundehesh published in 1897.

I beg to thank the Trustees of the Sir Jamshedji Jejeebhoy Translation Fund for their generous support in the publication of this book.

MANOCKJI RUSTAMJI UNVALA.
